

15th TCI Annual Global Conference

The deadline for submitting proposals to participate in the Congress arrived with excellent [results](#). Over 170 scholars, professionals and policy makers from all over the world sent in their proposals, all of which address the most significant challenges for regional competitiveness. Thanks to this positive response, the Organising Committee was able to publish a [preliminary program](#). There is also an important group of [keynote speakers](#) and panelists already confirmed.

The registration period will remain open until October 15, but those who register before June 30 will be able to benefit from a reduced [earlybird](#) fee.
